Trade Reference

We are writing this letter to provide a reference for the services of Townsend Roofing and Construction Services, Inc., for work/services provided at The Bartram Apartments.

We had the opportunity to work with Townsend Roofing on a major renovation construction project which consisted of complete removal and replacement of 1600 squares of shingles. They were professional in completing their task and stayed on budget and on schedule. The onsite supervision was knowledgeable and very responsive.

I am confident Townsend Roofing will exhibit the professionalism and performance expected on their next project and we are pleased to be able to provide this recommendation.

It was a pleasure working with you and we look forward to a continued professional working relationship with Townsend Roofing and Construction Services, Inc.

Sincerely,

Brickell Group Construction, LLC
